

QHSE POLICY STATEMENT

Quality, Health, Safety and Environment

At Horizon Business of Inspection (Private) Limited (HBI), continuous improvement of our service quality is essential to our long-term business success. Our focus includes protection of human health, operational safety, environmental protection, and overall service quality.

As an ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018 certified organization — Quality, Health, Safety & Environment (QHSE) are integrated into all our business activities, behaviours, and strategic decisions. We are committed to maintaining a strong QHSE culture, adding value to all interested parties, and ensuring continual improvement.

OUR COMMITMENT IS TO:

- Protect the environment and ensure the health & safety of employees, customers, and third parties.
- Meet customer requirements and ensure continuous customer satisfaction.
- Improve our performance on QHSE matters relevant to our stakeholders.
- Set measurable QHSE objectives, monitor results, and continually improve processes.
- Identify, eliminate, and control non-conformities and workplace hazards.
- Provide employees with appropriate training, awareness, and protective equipment.
- Maintain emergency preparedness and business continuity standards.
- Ensure all engineering, inspection, and testing activities are carried out professionally.
- Recognize and reward outstanding QHSE performance.
